Important disclosure regarding background reports from the PSP online service

Driver Name: **Robin Cantrell**

License #:

In connection with your application for employment with **WING HORN** ("Prospective Employer"), the Prospective Employer, its employees, agents, or contractors may obtain one or more reports regarding your driving and safety inspection history from the Federal Motor Carrier Safety Administration (FMCSA).

When the application for employment is submitted in person, if the Prospective Employer uses any information it obtains from FMCSA in a decision to not hire you or to make any other adverse employment decision, the Prospective Employer will provide you with a copy of the report and a written summary of your rights under the Fair Credit Reporting Act before taking any final adverse action.

When the application is submitted by mail, telephone, computer, or other similar means, the Prospective Employer must provide notification within three business days if adverse action is taken based on FMCSA data. This includes notice of the action, FMCSA contact details, and your right to request a free copy of the report and dispute its accuracy.

Neither the Prospective Employer nor the FMCSA contractor can correct safety data. You may challenge the accuracy of the data by submitting a request to <https://dataqs.fmcsa.dot.gov>. Requests involving State-reported data will be forwarded to the appropriate State for review.

Any crash or inspection in which you were involved will appear on your PSP report. The PSP does not assign fault and includes all reported CMV crashes and inspections, with or without violations. State citations tied to FMCSR violations that have been adjudicated will also appear.

Authorization

I authorize **WING HORN** to access the FMCSA Pre-Employment Screening Program (PSP) to obtain my commercial driving safety record, including crash data from the previous five (5) years and inspection history from the previous three (3) years.

I understand that this information will be used to determine my suitability for employment and that neither the Prospective Employer nor FMCSA can correct inaccurate data. I may dispute inaccuracies through the DataQs system.

I acknowledge that all crashes (regardless of fault) and all inspections (with or without violations) will be included in the PSP report, along with adjudicated FMCSR-related citations.

I have read and understand this disclosure and authorize the Prospective Employer and its authorized agents to obtain my PSP report.

NOTICE: This form is provided by NIC on behalf of the U.S. Department of Transportation FMCSA. Federal law requires applicant consent before accessing PSP reports. This language must be used exactly as provided and as a stand-alone document.
