## Safety Performance History Investigation

I, **Daquan Hayes**, hereby authorize release of information to this prospective employer from my employment file and my Department of Transportation regulated drug and alcohol testing records. This release is in accordance with DOT Regulation 49 CFR Parts 40.25/382.413/391.23.

I understand that information to be released by my previous employer is limited to the previous three (3) years. I release all parties from any and all liability which may result from furnishing such information.

Pursuant to the federal Fair Credit Reporting Act, I hereby authorize **WING HORN** and its designated agents and representatives to conduct a comprehensive review of my background through any consumer report for employment purposes.

I understand that the scope of the consumer report or investigative consumer report may include, but is not limited to: verification of Social Security number; current and previous residences; employment history (including personnel files); education; references; credit history and reports; criminal history (from federal, state, or county jurisdictions); birth records; motor vehicle records (including traffic citations and registration); and other public records.

I, **Daquan Hayes**, understand that I have the right to review information provided by previous employers; to have errors corrected by the previous employer and for that employer to re-send corrected information; and to have a rebuttal statement attached if there is a disagreement regarding accuracy.

I understand that to review previous employer-provided investigative information, I must submit a written request, which may be done at any time, including while applying, or up to thirty (30) days after being employed or notified of denial of employment.

I understand that if I do not arrange to receive or pick up the requested records within thirty (30) days of their availability, it may be considered that I have waived my right to review those records.
